Floral Sympathy Tributes

Leanne Lovell. Heartfelt Experience.

I have been a professional florist for 35 years.
During this time I have worked with funeral directors
and families wishing to create beautiful tributes worthy
of commemorating the passing of loved ones.

This book has been created to guide you through this
most difficult of times for you and your family.

Seasonal Considerations.

Due to seasonal supply of certain flowers and foliage, it may not always be possible to supply certain varieties or colours of your choice. We will always notify the client and work with them to create a floral tribute that they are satisfied with.

✦ Victoria Florists are always available for a personal consultation on alternative choices.
